Dear Mr Blunkell,

Buses from Marlow to the Handy Cross Interchange

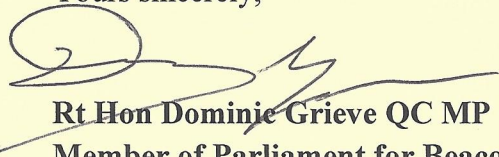

After reading your editorial in one of the Marlow Society's newsletters during the summer, I decided to write to the Senior Leadership of Arriva to enquire whether they would be interested in linking Marlow with the Handy Cross Interchange by bus. In my correspondence, I mentioned about the recent closure of Waitrose in Marlow as well as Arriva's popular Service 800 and 850 routes linking High Wycombe and Reading via Marlow. I was interested to know whether they were interested in establishing a bus link.

I have been advised that Arriva's Commercial department are reviewing the commercial viability of operating this and Arriva will also commence discussions with the Local Authority to see if they could assist with any funding.

I appreciate that this news is limited in scope, but I wanted to share this update with you. If you have any queries about this or other matters, please do not hesitate to get in touch.

With best wishes,

Yours sincerely,

Rt Hon Dominic Grieve QC MP
Member of Parliament for Beaconsfield

P.S. Let us hope!
